CIRCULAR TO MEMBERS NO.18 OF 2019

12th September, 2019

Dear Members,

FOUNDATION DAY GREETINGS

---o0o---

Greetings to one and all on the historic occasion of the 56th Anniversary of Foundation Day of our Association on 12th September, 2019. Friends, from the day our Association was founded on 12th September, 1964, as the foremost organized movement of Officers in the Banking Industry by a few farsighted leaders, we are proud to recollect and remember that we have overcome several tests and challenges with faith and trust to give strength and conviction to support us. Our Association, truly, has remained a source of support providing succor to its members in times of need.

As a proactive Organization, our Association has been strongly embedded to the principle of "Grow With the Bank" and inculcated in the minds of the Officers an insatiable passion for work for progress of our mother Bank. Our membership has always responded splendidly to all our calls making immense contribution towards Business Development and we have worked tirelessly to set high benchmarks which became the milestones in the performance of our Bank. Simultaneously we strived hard to maintain industrial peace and harmony as we are thoroughly convinced that growth can take place only under peaceful conditions. It is a matter of immense satisfaction that this positive role of the Association has been appreciated by the successive Heads of our esteemed Bank.

Our Association has never compromised on the issues concerning Officers and always stood for the dignity of Officers at all times. No efforts have been spared to improve the Service Conditions of Officers and to fight out injustice caused to our members. While on one hand we need to deal with the undue delay in reaching a reasonable salary revision settlement at the industry level and improve further the service conditions in our Bank, we need to tackle certain challenges that have emerged on account of merger of erstwhile Dena Bank and Vijaya Bank with our Bank. At present we need to emphasis and focus also on the fresh slippages and reduction in the alarming NPA level to reduce the pressure on the profitability of the Bank.

Friends, Foundation Day of such an illustrious Association deserves to be celebrated with reverence in a befitting manner. On this solemn occasion let us rededicate to work for the cause of our Association and prepare ourselves to face the challenges ahead successfully. Let us together make the 56th Foundation Day celebrations yet another glorious and memorable event for us.

With greetings,

Yours sincerely,

(K.K. NAIR)
