CIRCULAR TO MEMBERS NO.18 OF 2020

Date: 1<sup>st</sup> May, 2020

Dear Members,

## Sub: Long Live May Day

Warm greetings on the occasion of International Worker's Day.

**On May 1, 1886** more than three lakh workers, across the United States walked off their jobs, on the first May Day Celebration in the history, which was held to commemorate the Haymarket martyr, **where 8 workers were sentenced to death for their fight for 8 hours duty. In 1889 International Socialist Conference declared May 1 would be an International Holiday for Labour and is remembered as "INTERNATIONAL WORKER'S DAY" / "May Day"**

At the present juncture, all of us have realized the need to strengthen the unity and solidarity of the working class to combat COVID-19 crisis. We salute the Corona Warriors, who sacrificed their lives for the sake of society, Nation and humanity and our Banker Friends who along with others are bravely, discharging the assigned responsibilities, risking their lives, "serving the people". Friends, we are painfully witnessing that, in the prevailing situation, worst sufferers are millions of daily wage earners of unorganized sector. It is the time to help the workers of the unorganised sectors, who lost their livelihood.

We are observing that New Generation is not fully aware & indifferent to realise and recognize the contribution of Bank Officers' Trade Union Movement which is relentlessly struggling for improvement in Service Conditions and Working Conditions that we all are enjoying. AIBOBOA believes in inspiring its younger members to come forward to accept responsibilities to help the colleagues in need. **On this day, we reiterate our commitment in defending the dignity of Officers**, hence, any case of injustice, exploitation, deprivation of their legitimate entitlement, humiliation and harassment is taken up in right earnest. Being Majority Organisation, we are playing vital role during framing Transfer Policy, Promotion Policy and Staff Welfare Fund to ensure that Officers' interest is always protected. In true sense, we are "**BAD WEATHER FRIEND**", helping and guiding the members in all cases of disciplinary action including vigilance and non-vigilance and when staff accountability is fixed.

You may be knowing the famous dictum "***Sanghe Shakti Kalyuge***". Hence, friends please realize your potentialities and come forward putting that into collective use for the overall benefit of the community and the institution and you will find yourselves thousand times more stronger than you feel being alone. **On this memorable day we re-dedicate ourselves to the avowed goal of making the life of officers' fraternity more safe, secured and comfortable.**

Yours Sincerely,

(Prem Makker)  
GENERAL SECRETARY
