CIRCULAR TO MEMBERS NO.1 OF 2019

1st January, 2019

Dear Members,

Re: Welcome to New Year - 2019

--o0o--

We wish you and your family a Happy and Healthy New Year – 2019, with success and progress in your life and career. Let us welcome this New Year with full of confidence and determination for growth of our Bank and welfare of Officers' community.

As you are, by now, aware, our sustained and concerted efforts have enabled our Bank to perform relatively better during the last year, notwithstanding the challenges faced by branches in many fronts. We appreciate the sense of commitment shown by all Officers. Let us continue to work with the same enthusiasm and spirit for further progress of our Bank.

During the year 2018, a good number of officers were benefitted with Inter-Zonal Re-transfers to their parent Zone or Zone of choice under the Inter-Zonal Re-transfer Plan. Further, the Promotion Exercises of 2018-19 in our Bank, enabled a positive career progression for Officers. The Transfer Policy and Promotion Policy documents were reviewed by the Bank, in consultation with our Association. Few modifications in these Policies, as required, have been taken up by our Association with the Bank.

Reaching an immediate Settlement on Wage Revision will be the most important and priority issue during the current year. The United Forum of Bank Unions has been pursuing for this with IBA and the Government of India. Let us hope to clinch a good Settlement in the present year.

Another important issue that will attract our due attention during this New Year will be the Amalgamation of Bank of Baroda, Dena Bank and Vijaya Bank, as a part of Banking Sector Reforms, announced by Government of India. Looking to the various problems and issues faced after the merger of Banks undertaken in the past, our apex organization has felt it unwise to dismantle these Banks. UFBU, therefore, has been strongly urging upon the Government of India to reconsider and rescind the proposal of amalgamation of these three Banks.

Friends, in this New Year 2019, let us rise up and face the challenges and put in determined efforts for progress of our Bank. Simultaneously, we will continue to pursue with our Bank for early resolution of pending issues.

With greetings and regards,

Yours sincerely,

(K.K. NAIR)
